

# Women in Industry Scholarship Application

SETX WOMEN  
IN INDUSTRY

## Who We Are

Southeast Texas Women in Industry is a 501(c)3 non-profit organization that coordinates the week-long initiative that includes 20+ events meant to inspire and encourage female students to pursue careers in STEM. All proceeds will fund scholarships for female students going into the industrial workforce. Sponsor plays a key role in the allocation of those funds.

Female leaders from the Southeast Texas industrial community will unite with the goal of mentoring young ladies in schools across the region who have shown an interest in STEM-related careers. There will be a variety of exciting events that connect students with female executives in a broad range of careers and specialties. The mission of SETX Women in Industry Week is to showcase the many career opportunities that exist within the industry.

## Scholarship Information

The Southeast Texas Women in Industry Scholarship is open to all High School graduating senior girls interested in pursuing a career within the industry field. These funds will be used to cover the cost of tuition, books/supplies, and room and board.

## Scholarship Selection Criteria

- Applicants must be pursuing a degree relevant to the industry. Suitable fields include but are not limited to:
  - Engineering disciplines (Chemical, Mechanical, or Petroleum Engineering).
  - Environmental Science or Industrial Safety.
  - Business Administration, i.e Supply Chain Management, Public Relations, or Human Resources.
  - Information Technology or Data Science with applications in petrochemical industries.
- Grade Point Average (GPA) minimum of 2.0
- Recommendation Letter from a nonrelative
- Community involvement
- Must graduate from a High School in the Southeast Texas Region
